

DISSEMINATION EVENT IN KOCAELİ

On 28.11.2013, We arranged a meeting with 5 school managers of 5 different high schools in Kocaeli. Three of them are vocational high schools that provide vocational training and practice to their students in many different sectors.

Why not establishing Media LABs within their schools?

- What is LABlearning and what are its results ?
- The idea of «Project Based Learning» and «Learning by Doing».
- Why are the young people «disengaged» ?
- How to establish Media Labs in their Schools
- The 21. Century Skills and Competences
- What do young people really need?

The aim was to make them ask themselves as school managers:
«Why not?»

by delivering them the Policy message from our consortium!

Organized by T.R. Governorship of Kocaeli EU Projects Coordination Centre:
